

## Corrigendum to CPD Snapshot (July 2008)

### Approved standards cited in the Official Journal (not mentioned in the Snapshot)

The following standards are not included in the July version of the Snapshot as a consolidated amended version or a revision of the standard<sup>1</sup> has been published since the last publication of the list of harmonised standards under the CPD in the Official Journal. For this reason, a discrepancy exists between the last version of the list in the OJEU and the monthly Snapshot.

The standards still cited in the Official Journal that will be replaced by the revised or the consolidated amended versions in the next publication are:

- **EN 179:1997** (to be superseded by *EN 179:2008* (published on 2008-01-23) in the next publication of the list of harmonised standards in the OJEU)
- **EN 450-1:2005** (to be superseded by *EN 450-1:2005+A1:2007* (published on 2007-10-17) in the next publication of the list of harmonised standards in the OJEU)
- **EN 845-1:2003** (to be superseded by *EN 845-1:2003+A1:2008* (published on 2008-02-20) in the next publication of the list of harmonised standards in the OJEU)
- **EN 845-3:2003** (to be superseded by *EN 845-3:2003+A1:2008* (published on 2008-02-20) in the next publication of the list of harmonised standards in the OJEU)
- **EN 1125:1997** (to be superseded by *EN 1125:2008* (published on 2008-01-23) in the next publication of the list of harmonised standards in the OJEU)
- **EN 1168:2005** (to be superseded by *EN 1168:2005+A1:2008* (published on 2008-03-05) in the next publication of the list of harmonised standards in the OJEU)
- **EN 1317-5:2007** (to be superseded by *EN 1317:2007+A1:2008* (published on 2008-07-09) in the next publication of the list of harmonised standards in the OJEU)
- **EN 1857:2003** (to be superseded by *EN 1857:2003+A1:2008* (published on 2008-02-27) in the next publication of the list of harmonised standards in the OJEU)
- **EN 12620:2002** (to be superseded by *EN 12620:2002+A1:2008* (published on 2008-04-09) in the next publication of the list of harmonised standards in the OJEU)
- **EN 12764:2004** (to be superseded by *EN 12764:2004+A1:2008* (published on 2008-01-23) in the next publication of the list of harmonised standards in the OJEU)
- **EN 12859:2001** ((to be superseded by *EN 12859:2008* (published on 2008-04-02) in the next publication of the list of harmonised standards in the OJEU)
- **EN 13242:2002** (to be superseded by *EN 13242:2002+A1:2007* (published on 2007-12-12) in the next publication of the list of harmonised standards in the OJEU)
- **EN 14342:2005** (to be superseded by *EN 14342:2005+A1:2008* (published on 2008-05-28) in the next publication of the list of harmonised standards in the OJEU)
- **EN 14428:2004** (to be superseded by *EN 14428:2004+A1:2008* (published on 2008-01-23) in the next publication of the list of harmonised standards in the OJEU)

---

<sup>1</sup> the consolidated amended and the revised standards are referred to in the snapshot under "Approved standards not yet cited in the Official Journal"

- **EN 13565-1:2003** (standard to be removed from citation in the Official Journal with the publication of EN 13565-1:2003+A1:2007, which is not candidate for citation in the OJEU)
- **EN 14800:2007**

The correct number of cited standards in the OJEU is the following:

**Approved ENs**

Approved Standards cited in the Official Journal	325
Approved Standards not yet cited in the Official Journal	74
Approved Standards not yet available	6
Total approved Standards	425
